

Twenty-Eighth Sunday in Ordinary Time October 13, 2019

The word of God is powerful enough to cleanse us of sickness and sin.

The first reading and the Gospel show us miraculous cures from the terrible disease of leprosy. Through faith and trust, those who were sick, listened to and followed the direction of their healers, and regained their lives and standing in the community. Nothing is beyond God's capabilities, including forgiving our most egregious sins.
